

PAUL'S GRAINS

2475 340th St. • Laurel, IA 50141 • (641) 476-3373

www.paulsgrains.com • orders@paulsgrains.com

Since 1964, our family has raised and marketed grains without the use of chemicals on the soil, on the plants in the field, or in the storage bins. We purchase additional products from other organic farmers when we are unable to supply the demand or can't raise a particular item here (those marked with an *). Visit our website or call for a more complete listing of available items. We look forward to serving you!
